### SKYDIVERS OVER SIXTY (UK)

<http://www.pops.org.uk>

Dear potential SOS member,

SOS UK was formed in 2006 as an extension of the Parachutists Over Phorty Society (POPS UK) for those POPS who have come of age, and are still jumping after the age of sixty.

The aims of SOS UK are to further the sports of parachuting and skydiving from the perspective of the more mature jumper, and to encourage participation in competitions and record attempts.

Yours sincerely,

Niels Hansen  
SOS 8  
POPS 514

Please detach and return to Niels at the above address, with a payment of £5 to POPS UK.
